"Brighten the Garden with Glads"

F. H. WILLIAMS

14 FRENCH ST.

PAWTUCKET, R. I.

offers the following

CHOICE GLADIOLI FOR 1930

A very selective list from my own collection of American and foreign varieties. Semesan treated at time of planting and guaranteed to be in fine condition and true to name.

Bulblets where available are offered by the packet, and you get anywhere from 20 to 100, according to value, but you get your money's worth always.

Where not otherwise noted 10 bulbs will be sold for nine times the single price.

Bulbs prepaid at prices quoted on orders of \$2.00 or more, and no order accepted for less than \$1.00.

Terms: Cash with order, or 25% deposit will hold order until April 1st. Only a few of some varieties. Order now and avoid disappointment. No substitutions of varieties made without permission. All orders accepted subject to prior sale. Quotations given on larger quantities where available.

Join the American Gladiolus Society and get free the monthly "Gladiolus Review." This will keep you posted on things pertaining to glad-dom. Will gladly send you an application blank.

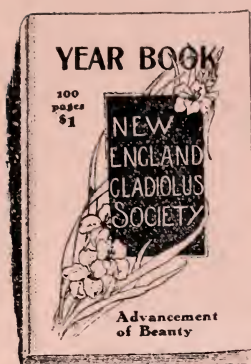

You should also join your regional society. We in Rhode Island are boosting the New England Gladiolus Society with its annual Year Book which contains a fund of information well illustrated and which is free to all members. As a special inducement you get the 1929 and 1930 Year Books for your membership fee of \$1.00. Use the enclosed application blank.

We hereby thank our many patrons for their kind letters and repeat orders and will endeavor to merit a continuance of your patronage. If not satisfied at any time, do not fail to tell us.

Yours for a fine garden,

F. H. WILLIAMS

GLADIOLUS BEAUTIFUL

These two Books
represent an outlay
of about \$3,500.

One copy of each book given
with each membership at \$1
as long as they last.

Copies bound in cloth
50 cents each extra.

These two books will contain many half tones and color plates of outstanding varieties of gladiolus. Articles by practical and expert growers. Disinfectant and fertilizer tests. Hybridizing. Growing Exhibition flowers. Experimental Station work. Color standards. Culture, and many others. Names and addresses of over 1000 members who joined in 1928 and 1929.

Membership Advantages

Free copies of all the Society's publications. Admission to all exhibitions given by the Society. Awards of Merit. First Class Certificates, Medals, Cups, etc.
